

Women Show Up for Women in Print

PIM thought a networking event targeting women in print might work, but they never anticipated how well it worked! Roseville, MN October 2nd, 2008 was the place for a day of celebration and networking for women in print. Janet Green, first female Chairman of the Board for PIA/GATF was chosen as the keynote speaker, attendees considered her dynamic and fun to listen to according to surveyed attendees.

Women in Print may just turn bi-annual to two luncheons a year with the next one happening in late May 2009, but for sure at least a 2nd annual occurring in October 2009.
