

PIM 2007 Wage and Benefit Survey Order Form

New this year: The survey will be delivered as a PDF via email or website. This saves time and costs to produce – passing the savings on to you! Also, as an electronic file is not yet considered a tangible good in this state, no Minnesota (and related communities) tax needs be collected. Use of the electronic file is limited to the location purchasing the Survey; making or distributing copies, in any format, is strictly prohibited.

As you review your current benefit offerings and wage scales make sure you are armed with the knowledge of what the market is offering to attract and maintain that valuable workforce. Order today!

Note: Participants who ordered the Survey Results with their completed survey DO NOT need to complete and return this order form. The file and an invoice will be forwarded shortly.
